

There are lots of ways for you to get involved in Holiday Actors! If you're aged between 13 and 20 inclusive on the 1st of January of the year of the production, you're eligible to audition for a part in the show. If not—or if being on stage isn't your thing—there are still lots of ways you can play an active part.

If you're musically talented, you might be interested in being a member of the orchestra. Alternatively, you might wish to help out as a member of the production crew, for example by constructing and painting sets, by assisting with costumes, by being involved backstage or with Front of House.

Parents and older volunteers might be interested in joining the Production and Advisory Committees, which work throughout the year to ensure everything is on track for a great show. Wherever your strengths lie, Holiday Actors is always eager to welcome new members. If you're interested, please contact us.

Holiday Actors Inc is a voluntary organisation which was established in 1985 with the aim of providing opportunities for the performance and display of performing arts for young people aged 13 to 20 years in Warrnambool and surrounding areas. A major musical production has been performed by the company in January each year since 1986, with an average total audience of 2,000 people.

Holiday Actors provides a valuable opportunity for young people to gain confidence, to work as members of a team, to learn the value of belonging to a community group and to participate in local events for the benefit of the wider community. During its lifetime Holiday Actors has involved well over 600 young people, many of whom have returned to pass on their experience and skills to others.

The Holiday Actors story is one of friendship amongst a group of young people who share a love of performing, enthusiasm, a sense of fun and a will to succeed. It is also a story of partnership between young people, their families and friends, supported by many other volunteers, local businesses, organisations and the general community.

WHAT IS HOLIDAY ACTORS?

"Well, I have a dream too. But it's about singing and dancing and making people happy. It's the kind of dream that gets better the more people you share it with. I've made a bunch of friends who share the same dream and that kinda makes us like a family."

- Kermit the Frog, *The Muppet Movie*
